summary

Designer with the passion and integrity to find crisp and innovative solutions to design problems. Very quick to learn, with an ability to easily grasp and put new ideas, concepts, methods and technologies into application.

education

Bachelor of Science Degree
University of Minnesota, St. Paul, MN
Major: Graphic Design
Emphasis: Interactive Design
December/2007

work experience

Self-Employed / Interactive Designer

Interactive John, New York, NY
01/01/2008 - Present

- Design and develop interactive projects for local, national, and international clients
- Collaborate with agencies and work with their teams on big and small projects
- Research, learn, and implement the latest interactive technologies

Co-Owner / Interactive Designer

Black Swan Interactive, New York, NY
10/01/2009 - 12/01/2010

- Pursued local and international clients through networking and job boards
- Designed comprehensive websites and mobile platforms using HTML, CSS, jQuery, Wordpress, and Shopify Liquid code
- Learned how to integrate new e-commerce applications such as Shopify and how to apply unique scripting languages such as PHP to enhance website functionality

Interactive Designer

Tessuto, New York, NY
05/14/2009 - 09/21/2009

- Tackled multiple projects simultaneously in a fast-paced environment
- Designed high-profile websites and coded them in jQuery, HTML, and CSS
- Worked and managed projects with clients directly

latest freelance

CSS Programmer

MTV Networks Digital
10/08/2010 - 11/04/2010

- Contributed to the execution of the stylesheets and CSS coding
- Worked with a large team of designers, programmers, and executives
- Overcame multiple issues on a tight deadline to create an effective website
